

# INSPIRING FUTURES

In Engineering, Health, Science and Business. The SBUSixth Schools Liaison offer.

## What we do

### Assemblies & Tutorials

We give assemblies and/or tutorials in schools to support practical steps for progression and inspire active applications.

### Year Group

### Gatsby Benchmarks

2, 4, 7

### Taster days / sessions

Subject taster visits (1 - 3 hours per subject) will inspire proactive choices for post-16 learning and bring options into focus.

### Suitable for Year 8 - 11

### Subject workshop

We can also arrange career pathway presentations from our sector specialists, in your school. Talks with a practical element can be delivered.

### Suitable for Year 10 & 11

2, 4, 7

### Careers/Progression events

We can attend your post-16 choices events to advise on sectors, qualifications and applications.

### Suitable for Year 7 - 11

2, 4, 7, 8

### Application support

For small groups who may benefit from support in completing a suitable application during school time.

### Suitable for Year 11

3, 7, 8

### TechStart option for Year 10

Day release courses in Engineering or Health Science for Year 10 and 11 students.

All sessions are tailored to the needs of your school.
